Note :

(1) If the properties have been described in registered documents in a manner different from the way in which the applicant has described them in the application the transactions evidenced by such documents will not be included in the certificate.

(2) Under Section 57 of the Registration Act and Rule 137(i), persons desiring to inspect entries in the registers and indexes, or requiring copies thereof, or certificates of encumbrances on specified properties should make the search themselves, when the registers and indexes will be placed before them on payment of the prescribed fees.

a) But as in the present case the applicant has not undertaken the search himself, the requisite search has been made as carefully as possible by the Offices but the department will not, on any account, hold itself responsible for any errors in the results of the search embodied in this certificate.

b) And as in the present case the applicant has made the requisite search himself and as its results is shown in the certificate after the necessary verifications the department will not on any account, hold itself responsible for the omissions in it of any acts and encumbrances affecting the said property, not discovered by the applicant

To
The Secretary
Odisha Real Estate Regulatory Authority
Bhubaneswar, Odisha

Subject: Reply to the Objections Raised in respect of RERA Registration Application of the Project submitted by ORIKAM BUILDCON PVT. LTD.

Dear Sir,

In reference to the objections raised by the Authority in respect of the RERA registration application of the project submitted by the Promoter ORIKAM BUILDCON PVT. LTD., we most respectfully submit the following clarifications for kind consideration of the Authority.

At the outset, it is humbly submitted that the Promoter had appeared before the Hon'ble Authority of the Odisha Real Estate Regulatory Authority on 12.03.2026, wherein the objections raised by the Authority were duly clarified. During the course of the hearing, the Authority was pleased to consider the explanations provided by the Promoter, and it was indicated that the Promoter was required only to submit the drawing clearly demarcating the project area and the balance area of the revenue plot, along with an affidavit regarding gifting of the internal road area.

However, the Promoter is submitting the present clarification along with the necessary documents for proper appreciation and consideration by the Authority.

1. Objection regarding difference in name between ROR and Plan Approval

It has been observed that ORIKAM BUILDCON PVT. LTD. Director Shri Harsit Kumar Agarwal is recorded as the tenant in the Record of Rights (ROR), whereas the Building Plan Approval has been obtained in the name of ORIKAM BUILDCON PVT. LTD.

In this regard it is respectfully submitted that in the Building Plan Approval, the name of the Company has been mentioned and the name of the Director has not been separately written. The project is being undertaken by ORIKAM BUILDCON PVT. LTD., and therefore the plan approval has been issued in the name of the Company.

During the hearing held on 12.03.2026 before the Odisha Real Estate Regulatory Authority, the above fact was clarified, and the Hon'ble Chairman was pleased to observe that the same is acceptable.

2. Objection regarding differential land area

It has been observed that there is a difference between:

Total ROR Area: Ac. 1.677

Project Area : Ac. 1.4465

The differential area is approximately Ac. 0.2305.

In this regard it is respectfully submitted that:

The RERA registration has been applied only for a clearly defined portion of the original revenue plot. The remaining area is outside the proposed project boundary and has not been included in the RERA project. For the purpose of clarity and transparency, the Promoter is submitting the Cadastral/ Revenue Map indicating:

ORIKAM BUILDCON PVT. LTD.

Harsit Kumar Agarwal
Director

ORIKAM BUILDCON PVT. LTD.

Harsit Kumar Agarwal
Director

- the exact demarcated project area, and
- the balance land outside the project boundary.

3. Objection regarding road access through Plot No. 1082 and Plot No. 1083

- It has been observed that the project site is accessible to Plot No. 1082 (Road) through Plot No. 1083 (Nayanjori), both recorded in the name of the PWD Department.
- In this regard it is respectfully submitted that both Plot No. 1082 and Plot No. 1083 are recorded in the name of the Public Works Department, Odisha. Plot No. 1082 is recorded as road and Plot No. 1083 is recorded as Nayanjori. Further, a black-top road is existing and connected to the project site through the said plots.
- The above fact was explained during the hearing dated 12.03.2026 before the Odisha Real Estate Regulatory Authority, and the Hon'ble Chairman was pleased to accept the same and proceeded with the matter.

4. Objection regarding Gift Deed of Internal Road

It has been observed that the Gift Deed of Internal Road has not been uploaded.

In this regard, it is respectfully submitted that all the required documents pertaining to the Gift Deed have already been submitted before CDA on **20 March 2026**. A copy of the receipt/application acknowledgment is uploaded herewith for your kind reference and record.

The matter is presently under process with the concerned authority. The promoter shall update the progress/completion status before the Authority as and when the same is completed.

5. Objection regarding transactions reflected in the Encumbrance Certificate

It has been observed that the Promoter has not clarified the transactions reflected in the Encumbrance Certificate (EC) and has been asked to upload the EC from 01.01.1995 till date.

In this regard it is respectfully submitted that:

- The Encumbrance Certificate has been applied for the entire original revenue plot.
- As a result, the EC naturally reflects all the transactions relating to the original revenue plot, including transactions that do not form part of the present project land.
- The transactions reflected in the EC are internal transactions relating to portions of land beyond the applied project area. And the said transactions do not pertain to the specific project area applied for RERA registration.

5. Objection regarding Geo coordinates of project

With reference to the objection regarding the Geo-Coordinates of the project, it is respectfully submitted that a total number of 14 (fourteen) Geo-Coordinates have already been uploaded in the ORERA portal, as per the bend points of the project land and there is no mismatch of Latitude and Longitude. The said coordinates have been furnished based on the approved layout plan and survey records of the project land.

In view of the above clarifications and the explanations already placed before the Hon'ble Authority during the hearing dated 12.03.2026, it is most humbly prayed that the Authority may kindly take the

ORIKAM BUILDCON PVT. LTD.
