1. The building shall be used exclusively for **Medium Income Housing** purpose and the use shall not be changed to any other use without prior approval of this Authority.
2. The development shall be undertaken strictly according to plans enclosed with necessary permission endorsement.
3. Total Parking space measuring **1433.79 Sqm.** as shown in the approved plan shall be left for parking of vehicles and no part of it will be used for any other purpose.
4. The land over which construction is proposed is accessible by an approved means of access of **10.30 Mtr.** in width.
5. The land in question must be in lawful ownership and peaceful possession of the applicant.
6. The applicant shall free gift **307.33 Sqm.** wide strip of land to Bhubaneswar Development Authority for further widening of the road to the standard width as per **CDP-2010, BDA.**
7. The permission granted under these regulations shall remain valid upto **three years** from the date of issue. However the permission shall have to be revalidated before the expiry of the above period on payment of such fee as may be prescribed under rules and such revalidation shall be valid for one year.
8.
 - (A) Approval of plans and acceptance of any statement or document pertaining to such plan shall not exempt the owner or person or persons under whose supervision the building is constructed from their responsibilities imposed under ODA (Planning & Building Standards) Rules 2020, or under any other law for the time being in force.
 - (B) Approval of plan would mean granting of permission to construct under these regulations in force only and shall not mean among other things-
 1. The title over the land or building
 2. Easement rights
 3. Variation in area from recorded area of a plot or a building
 4. Structural stability
 5. Workmanship and soundness of materials used in the construction of the buildings
 6. Quality of building services and amenities in the construction of the building,
 7. The site/area liable to flooding as a result of not taking proper drainage arrangement as

per the natural lay of the land, etc and

8. Other requirements or licenses or clearances required to be obtained for the site /premises or activity under various other laws.
9. In case of any dispute arising out of land record or in respect of right, title, interest after this permission is granted, the permission so granted shall be treated as automatically cancelled during the period of dispute.
10. Neither granting of the permit nor the approval of the drawing and specifications, nor inspections made by the Authority during erection of the building shall in any way relieve the owner of such building from full responsibility for carrying out the work in accordance with the requirements of NBC 2005 and these regulations.
11. **The owner /applicant shall:**
 - A. Permit the Authority to enter the building or premises, for which the permission has been granted at any reasonable time for the purpose of enforcing the regulations;
 - B. Obtain, wherever applicable, from the competent Authority permissions/clearance required in connection with the proposed work;
 - C. Give written notice to the Authority before commencement of work on building site in Form-V, periodic progress report in Form-VIII, notice of completion in Form-VI and notice in case of termination of services of Technical persons engaged by him.
 - D. Obtain an Occupancy Certificate from the Authority prior to occupation of building in full or part.
12. **The applicant shall abide by the provisions of Rule no.15 of ODA (P&BS) Rules, 2020 with regard to third party verification at plinth level, ground level & roof level. Any deviation to the above shall attract penalty as per the provision of the same.**
13.
 - A. In case the full plot or part thereof on which permission is accorded is agricultural kism, the same may be converted to non-agricultural kism under section- 8 of OLR Act before commencement of construction.
 - B. The owner/applicant shall get the structural plan and design vetted by the institutions identified by the Authority for buildings more than 30 mtr height before commencement of construction.
14. Wherever tests of any material are made to ensure conformity of the requirements of the regulations in force, records of the test data shall be kept available for inspection during the construction of building and for such period thereafter as required by the Authority.
15. The persons to whom a permit is issued during construction shall keep pasted in a conspicuous place on the property in respect of which the permit was issued;
