WHEREAS the first party hereby declared that the schedule land in question which stands recorded in the name of the First Party and he is in peaceful possession as the exclusive, absolute and indefeasible owner of the land having every right, title and interest and he is exercising various acts of ownership and possession over the land in question.

AND WHEREAS the Party of the First Part has been nourishing a desire to construct and execute multi-storied building over the land comprising independent units/flats in accordance with the composite and comprehensive building plans to be approved and sanctioned by the Bhubaneswar Development Authority/BMC. But since construction of a high-rise building is a complicated job requiring special skills and expertise which are beyond the capabilities of the Party of the First Part, they have given an offer to the Party of the Second Part who are actively engaged in the field of real estate and having successfully constructed and executed several multi-storied/high rise buildings. The Party of the Second Part has accepted the offer and agreed to construct and execute the proposed multi-storied building at their own cost in accordance with the composite building plans to be approved and sanctioned by BDA/BMC/ORERA and shall deal with respective share and allotted portion of the said building on the terms and condition herein contained. Pursuant to this, several terms and conditions have been mutually agreed upon by and between the parties. To avoid future complications that may arise, the parties agreed to such terms and conditions in writing.

Now this indenture witness as follows:-

1. The Party of the First Part declares they have absolute and indefeasible rights, title and interest in respect of the land in question as set out in the schedule and they are competent to deal with the land without any restrictions what so ever. They further state that they have the absolute authority and competency to confer and vest rights upon the Party of the Second Part to undertake development of the land by construction of multi-storied apartment complex over the said land in accordance with the building plans to be sanctioned and approved by BDA/BMC. Such building plans shall be prepared by Qualified Architects keeping in view the building norms, guidelines and parameters envisaged in the BDA/BMC

regulations. The entire cost of preparation of building plans shall be borne by the Party of the Second Part.

2. Both the parties agree that the construction of the building shall be completed in all respects within 36 months after obtaining the approval of building plan from the BDA/BMC and ORERA.
3. The Party of the Second Part is in a lawful manner by taking due consent of first party and Authorities as may be required shall construct the proposed multi-storied building in accordance with the building plans to be sanctioned by BDA/BMC. The Party of the Second Part assures that the building shall be constructed in accordance with the approved plans and maintain the quality of construction as well as structural stability parameters.
4. The developer assures that the building plans shall be prepared strictly in accordance with the Rules, Regulations and bye laws in force. The proposed building shall be of a high-quality construction.
5. The developer further states that the proposed building shall be constructed under their direct supervision and shall comply with all the stipulations made by BDA/BMC and also shall confirm to all the rules and regulations of the local authorities as may be applicable.
6. The developer further states that they will make all efforts to complete the building within 36 months from the date of plan approval/clearance from ORERA as stated above unless prevented by reason or circumstances beyond control of the Developer namely riots, floods, earth quake etc. Which may affect the completion of the building or any other unforeseen circumstances. In case developer is unable to get approval for the project within Six months of signing of this agreement and/or does not start the project on approval by BDA & ORERA and/or unable to complete within 36 months, other than circumstances beyond their control and which is approved by first party, the agreement will become forfeit without any liability to Second Party and the GPA executed by First Party to Second Party will lose its effect without requirement of further/separate notice.

- Not to interfere or obstruct the construction of the proposed building over the said land unless the developer violates the essential terms and conditions as agreed upon and stated in this agreement.
- b) Not to prevent the developer from entering into negotiations with intending purchasers of flats/units for disposing or transferring the developer allocation/entitlement of the total built-up area of the building to be constructed and executed over the said land in conformity with Regulations after completion of development and keeping first party members free from liability and keeping first part members indemnified against any claim arising out of any breach of said terms.
 - c) Not to enter into any agreement with any third party in respect of the land in Question or any portion thereof and shall ensure that the land is not subjected to any charge or encumbrance.
 - d) The Party of the First Part hereby confers and vests absolute right and authority upon the developer to commence carry on and complete the construction of the multi-storied building in accordance with the approval/sanction accorded by the Authority.
 - e) The first party shall not do any act, deed, matter or thing whereby or by means whereof the approvals, permissions and sanctions granted by the appropriate authority, for the development of the schedule property is or may be or likely to be cancelled terminated or otherwise made invalid and inoperative.
8. The Party of the First Part shall at the request of the developer undertake to sign and execute further documents, affidavits, applications as may be necessary from time to time for completion of the project. The party of the First Part further undertakes to sign all required sale deeds/construction agreements etc. with the flat purchasers pertaining to the developer share in the project as consenting party in the light of this agreement, as and when necessary.
9. The First party or his prospective purchasers, on completion of the apartment in all respect, will bear the proportionate cost of the maintenance expenses Like electricity and water charges, sweepers salary, watchman's salary and other common expenses, which will be decided by all the flat Owner's on forming a society or as decided by them. Society charges will be borne by each purchaser equivalent to other dwellers of the apartment.
10. To furnish copies of any document pertaining to the title of the land or to establish that the land is free from any charge or lien before approval of the building plans.

The Developer shall be entitled to carry out the development/construction on the Schedule Property either independently or by appointing contractors/sub-contractors or other agencies. The Developer shall alone be responsible for the payment of the cost of construction or labour and other charges payable to such contractors/sub-contractors and statutory compliances in said regard and the owner shall in no way be responsible for any failure or default of the developer.

12. The Party of the First Part further states that the developer, Party of the Second Part shall be entitled to dispose by way of absolute sale or otherwise the built-up area of developer share to be constructed over the area as per the specifications mentioned in the brochure/ agreement, in favour of the intending purchasers of the flats/units together with proportionate undivided interest in the land in conformity with Regulations, except the owner's share and common space which is the entitlement of the land owner, party of the first part.
13. It is agreed by and between the parties here to that marketing of the entire area to be developed in the residential complex is to be done, branded and marketed by the developer. The developer shall decide the name of the residential complex, after sanction of the plan.
14. That after getting approved plan, the developer will have absolute right and authority to advertise in any mode for sale of unit in the project related to its share and the developer shall be entitled to receive the Earnest money and/or advance from the prospective purchasers against booking of unit relating to its share in the project even before commencement of work of construction on the schedule land.
15. That, both the developer and the land owner will have independent ownership and control over their respective shares of the notionally decided built up area/super built up area/ carpet area allocable against his/their portions of the schedule land and will have full authorization to dispose of the same as per his/their own will.
16. The developer agrees and undertakes as follows: -
 - a) The construction of the proposed multi-storied building shall be commenced as soon as possible after obtaining the approval and sanction of the building plans/revised plan (if any) from the BDA/BMC/ORERA as well clearances from BDA/BMC/ORERA to go ahead with the construction work.

Kishorechandan Channarayana

to complete the construction of the entire building within a period of 36 months from the date of approval of the building plans by the BDA/BMC/ORERA and/or from the date of obtaining necessary clearances from BDA/BMC/ORERA or any other Agencies to go ahead with the construction work or within such extended period as may be mutually agreed upon, subject to the force majeure conditions. Hand over possession of Flats and facilitate formation of Association of Flat Owner to hand over common amenities.

- c) The developers further undertake not to violate the building plans, conditions given in the permission/approval/sanction letter or any rule, regulations framed by the appropriate authority in respect of the construction of the said building complex and obtain Completion certificate and occupancy certificate.
- d) It is agreed upon that any labour force/workman/technician engaged in the construction of the proposed multi-storied building by the developers shall be treated and deemed to be the employees of the developers. It is explicitly made clear that under no circumstances the land owner shall be treated or constructed to be the employees of the aforesaid labourers/workmen/technicians to be engaged by the developers or its contractors/associates for construction of the proposed multi-storied building complex. Consequently, the land owner shall not be liable to pay any compensation that may be engaged by the developer for construction of the complex. The developer for construction of the complex. The developers for shall be liable in respect of any dispute which may arise under the labour laws or under workmen compensation Act and if the Authority or the tribunal award, if any, shall be the liability of the developers to pay such compensation or the amount quantified in the Award/Order. The developers undertake to indemnify the land owner from any such liability.
- e) To indemnify First Party against all the types of claims arising out from all parties due to non-compliance statutory norms & also defects if any in Proposed Residential/ Commercial cum Residential Complex. To name a few such claims may arise from Customers of Proposed Complex, agencies engaged in construction including First Party themselves etc. The indicated items are indicative and not exhaustive.
- f) The Second Party shall intimate the name and all other identity details of Project Architect, who would be acting as Conciliator, to First Party, as soon as they get appointed.
- g) The second party hereby undertakes to pay and discharge all the dues any expenses such as energy bills of electricity connections taken by them for construction purposes as demanded by the TPCODL/Electricity Dept, bills of any nature from any third party

whose services were rendered will be pay at their own responsibility with no charges to the First party.

- h) In the holding proposed to be constructed on the terms hereof, the second party will not be entitled to deal with in any manner what so ever nor be entitled to deal with in any respect of the land owner allocation of 42% of the built up area. However, in the event the developer is unable to execute the aforesaid work for any reason, the land owner reserves the right of revoking the present arrangement pertaining, to the land specified in the schedule.
- i) In the event the second party fails to complete the building in all respects within 36 months from the date of approval of plan, the land owner shall be entitled to claim interest @ 18% per annum on the total construction cost pertaining to 42% of the land owner allocation from out of the total super built up area as per the approved plan. The amount shall be calculated @ Rs 1800/- per sq. ft. in all respect of the land owner entitlement of 42% of the super built up area, as per the approved plan. Such interest is payable monthly by the developer to the land owner.
- j) Upon the completion of the Development in terms hereof and upon the developer having handed over possession of the land owner's allocation, the developer as a constituted attorney for the land owner will sign, execute and caused to be registered sale deeds in respect of the various flats /units and parking spaces in favour of the purchasers.

17. Allocation of built-up space/constructed space/consideration:
CONSIDERATION:

- a) The Building shall be developed by the second party entirely at their cost over the property owned by First Party. In lieu of the development carried out over property owned by First Party, the developed Building EXCLUDING COMMON AREA AND FACILITIES shall be shared between the two parties in the ratio of owners share vis-à-vis Developers Share.
- b) Owners share for this Agreement is 42% on Base FAR. The Developers share = $100\% - \text{Owners Share } (42\%)$. i.e. Developer Share is 58%. Hence the party of the 1st Part (Land owner) will be allocated 42% of built up area, converted to flats/units together with proportionate undivided interest in the land and parking space along with sum equivalent to cost of deficit proportionate construction area as may arise. This shall stand

as the full & final settlement & entitlement of the Land Owner against their land of Ac.420 decimals.

- c) Based on the OWNERS SHARE mentioned above, the distribution of Flats between the Parties, with exact Flat No thereof, shall be done as under:

Within fifteen days of approval of plan of proposed building from plan sanctioning Authorities second party shall communicate the first party, with a copy thereof to the first party exact distribution of units (Independent units) between first & second party as per the agreed percentages/ conditions, on each floor. The distribution as proposed by the second party shall be made in consultation with and keeping the desire of First Part in distribution described below.

Party to the First Part Intent in

Distribution:

- (1) In distribution one entire floor on 2nd floor of the block facing the road should be allocated to 1st Party and one entire floor on 1st floor should be allocated to the 2nd party.
 - (2) Rest of the distribution should be on alternate floor in each block/building as possible,
 - (3) 42% Distribution to the Party to the First Part should be equally distributed i.e. 42% of the 3BHK and 2BHK (if any) built by developer.
- d) If the portion of such saleable units of either of the parties is less than the agreed percentage of such party, then the concerned party shall be compensated by the other party so as to make the share at par with their respective percentage of built up area at the prevailing market rate. It shall, however be open to the parties to arrive at any other suitable mode of computation for working out the compensation by mutual agreement.
- e) On the basis of above a supplementary Agreement shall be entered into between the parties for the distribution of flats, as above, in presence of notary public.
- f) Taxation liabilities of all types arising out of development of said property namely Income Tax, Capital Gain Tax, GST, and any other Tax including Property Transfer costs applicable if any over respective shares of two parties shall be borne by respective parties themselves.

if during the course of construction of the project building any alternation, deviation from the sanctioned plans becomes necessary, desirable or advisable, the said alternation/change/deviations may be made only in conformity with modified plan after getting the same approved from plan sanctioning authorities. As a consequence of such alternation/changes/ deviations, if any compounding fees are levied by the plan sanctioning authority, the same shall be borne by the second party. Before completion of handover of Flats under OWNERS Share, all the account between the two parties shall be settled in terms of provisions of the Agreement. The taxation & other liabilities of First Party may be adjusted against flats/direct payment thereof.

18. Residuary terms:-

- a) If any provisions of this Agreement is found or held to be invalid or unenforceable or prohibited by law, this Agreement shall be considered divisible as to such provisions and provisions shall be served and become inoperative and shall not be part of the consideration moving from either party to the other and the remainder of this Agreement shall remain valid and binding and of like effect as though such provision was not included herein.
- b) It is hereby expressly agreed and declared that the relation of both the parties do not create any partnership or joint venture or association or persons between the parties here to; each of the parties hereto has undertaken obligations and has rights specified herein.
- c) It is agreed by both the parties that all applicable expenditure for cost of transformer, generator, lifts & electrification to respective flats shall be borne and paid by second party after completion of the project.
- d) The Party affected by a Force Majeure Event shall be excused from its performance of this Agreement for so long as such event shall continue to prevent, hinder or delay such performance.
- e) All disputes and differences of the parties hereto touching the terms of this agreement and its consequential effect and/or interpretation of any of the terms and conditions herein contained or touching these presents or determination of any liability not amenable under ORERA shall be referred to two arbitrators selected by both the first and second party, who shall jointly appoint the third arbitrator and who shall

collectively resolve the dispute in accordance with the provision of the Arbitration and Conciliation Act 1996. All matters/disputes concerning these presents and the development of the said property shall be subject to the jurisdiction of Bhubaneswar only.

- h) All letters, notices shall be issued to the parties and dispatched under registered post with A/D to the address furnished in this agreement will be sufficient proof of dispatch of the same to the other party.
- i) All accounts between the parties shall be settled at a place as may be decided jointly.
- j) In case the First party in the future at any time desire to dispose of their share, the same shall be limited to the extent of 42% of the super built-up area/Approved FAR allotted to the land owner (First Part). The balance 58% will be in the possession of the Developer (Other Part).
- k) This agreement shall be executed in duplicate; the original shall be retained by the Builder/Developer and the duplicate by the owner.
- l) To negotiate for sale of various flats/units and parking spaces to be comprised in the building, to be constructed, to prospective buyers on such consideration on the terms and conditions as the Developer may fix or settle thereof, in respect of the Developer's allocation only.
- m) The developer /promoters shall provide the amenities in the said building so as to make it habitable and provide for adequate sewerage and drainage.
- n) Water supply by deep bore tube well and overhead tank. Necessary water supply pipelines and fixtures fittings and sanitary installations will be provided in the toilets, bathrooms, kitchens, basins, etc. The fittings and other materials to be used will be of I.S.I. standard. The flats shall be constructed and completed with all respect including all water supply and sanitary installations including the construction of septic tanks/pits, sewerage lines as per the approved plan and electric installation both interior and exterior for proper finished habitable condition as per the sound engineering standards.
- o) All such other facilities and amenities which are normally available in residential buildings and house and such other facilities as may be decided by the Developer/Promoter and the Owner, from time to time, will be provided.
